COPEAM for :

***“Refugees Stories: Glances from the South”***

Audiovisual showcase and debate

*66<sup>th</sup> edition of Prix Italia  
Turin - 20 September 2014*

❖ ***The event “ Refugees Stories: Glances from the South”***

In the framework of its 66<sup>th</sup> edition and in cooperation with COPEAM, the Prix Italia<sup>1</sup> organizes a round table on the subject of the refugees. The recent changes in the Northern Africa and the Syrian add to the desperate conditions of several sub-Saharan countries, struck by terrorism and civil wars. This scenario has been contributing to the raise of migratory flows towards the neighbouring countries or towards Europe, particularly across the Mediterranean Sea. Aware of the relevance of this phenomenon, Prix Italia has opened its doors to COPEAM network and to all the audiovisual operators coming from the South, in order to collect short films or clips of documentaries/reportages on this delicate topic. The aim is to go beyond the usual information provided by the media, offering a more human perspective of the phenomenon of the refugees.

❖ ***The audiovisual showcase***

A selection of the submitted products will compose a showcase that will be screened during the event (clips of 3-5 minutes each). The projection will be followed by a pertinent debate on the subject of the refugees, with experts and representatives of organizations and institutions working in this field.

❖ ***COPEAM honorary Prize***

COPEAM will confer an honorary prize to the best film for both the message conveyed and the video quality. **The winner** – producer or film director - **will be invited to Turin** to attend the event (coverage of travel and accommodation). In addition, the visibility of the winning product will be ensured in the framework of Prix Italia as well as within COPEAM network.

❖ ***Participation conditions***
