

20^{ème} Conférence de la COPEAM

TVs by Satellite Group
T-Hotel
Cagliari, 22 mars 2013

SCHEMA DE RESOLUTION

The TVs by Satellite Group gathered in Cagliari in a restricted meeting involving only the *Terramed Plus* (EUROMED Audiovisual III - EU Programme) consortium members.

They made an assessment of the project's second year (1st March 2012 – 28th February 2013) and defined the next steps and the future activities.

A special attention was paid to www.terramedplus.tv platform, whose sustainability after the project achievement will be studied by the partners in the next months.

The President of the TVs by Satellite Group and *Terramed Plus* Head of project, Mr. Bruno Iovenitti (RaiNews24), presented the project in the framework of the TV Commission, informing the members about the results obtained.
